HIGH EFFICIENCY WASHING MACHINE REBATE PROGRAM

Program Requirements

1. You must be a water customer of the City of Albuquerque and install the machine at your service address. Call 768-3655 or 768-2800 if you need to confirm eligibility.
2. The machine must remain in the possession of the original purchaser, or remain at the original installation address for at least one year from the date of purchase.
3. The machine must be new. The machine must be a qualifying model approved by the City of Albuquerque. A list of qualifying machines is available on this website or by calling 768-3655.
4. Rebates are available to the following water customer groups:
 - single family dwellings, including town homes and mobile homes;
 - apartment complexes where washing machines are provided for tenants;
 - commercial laundromats and institutions;
 - apartment where tenant owns machine.

Machines intended for rental or lease do not qualify. Authorization for other uses meeting the general intent of the program may be approved by the City on a case-by-case basis.

5. Maximum rebates allowable:
 - a) \$100 per single family account
 - b) \$1000 per commercial, industrial or institutional account, such as laundromats and apartments, per fiscal year (7/1 through 6/30)
6. Some installations may be selected for a random inspection. At reasonable times and with reasonable notice, you agree to allow the City of Albuquerque to inspect the machine at the installation address for up to one year after purchase.
7. Rebates will be issued as a credit to the City of Albuquerque water bill for the installation address. Failure to comply with the forms of this program shall result in revocation of the rebate.
8. The effective date of this program is September 1, 1999. Purchases made prior to September 1, 1999 are not eligible for rebate. Your rebate credit should show up on your water bill within one to two billing cycles after the form is processed.
9. In the event this program is discontinued, this voucher will be honored only if received by the City of Albuquerque within 60 days after the date of purchase.
